

COAST MOUNTAINS SD82

INTERNATIONAL STUDENT PROGRAM

Adventure Awaits In Coast Mountains

British Columbia has one of the best public education systems in the world . . . Our students perform at the top of international assessments.

Classic North West Coast Communities

- Our in-land and seaside communities, located in beautiful Coast Mountains, are safe, peaceful and clean
- We are surrounded by forested mountains, rocky rivers, large lakes and sandy beaches
- We enjoy the 4 seasons climate here in Canada
- We have easy access to Shames Mountain ski hill with stunning views and activities
- Opportunities for rich cultural experiences, and outdoor recreation abound
- Coast Mountains Communities of Terrace, Kitimat and Prince Rupert are the right size to have everything you need and overflows with small town charm

Home Away From Home

- Our student's homestay provides support, encouragement and guidance
- Students are immersed in English language and experience authentic Canadian culture
- Students fully participate in family life including – activities, celebrations and doing the dishes!
- The well-being of our students is closely monitored by an experienced Homestay Liaisons
- Homestay Liaisons connect with Homestay Hosts and students to ensure each placement runs smoothly or address any issues to ensure each placement is the best for each international student.

Student Programs

- Our education programs are individually designed to meet the interests and academic goals of each student
- We offer direct access to a rich variety of academic, fine arts, skilled trades, career and physical health education classes
- Students learn alongside their Canadian peers in regular classrooms
- For students requiring English Language support, we have English Development classes as well as individualized ESL support

Student Support

- We have Student Advisors in every school who ensure students are comfortable at school and are excelling in their classes
- International Student Administrator monitors students' academic progress, encourage involvement in activities and provide guidance with cultural adaptation and social adjustment.
- English Language teachers work with classroom teachers to support student learning
- Our schools have counsellors who provide academic, social and emotional support

Our international students return home with new knowledge, deeper cultural understanding, increased self-esteem, greater maturity and life-long friends from Canada and around the world.

Secondary Schools in CMSD 82 ISP Program

Caledonia in Terrace

- School Population: 600
- Has an outstanding Performing Arts program and well equipped shops to explore woodwork, metalwork, mechanics, robotics, culinary arts and textiles
- A student body that embraces diversity and ensures everyone feels welcome

Mount Elizabeth in Kitimat

- School Population: 425

- A vibrant student group that embraces diversity and ensures everyone feels welcome

Charles Hays in Prince Rupert

- School Population: 700
- A diverse multicultural population
- A strong academic program
- A highly competitive sports program, and a vibrant fine arts program.

Engage, Experience, Explore . . .

Join in, explore, compete, contribute! After school activities provide memories for a lifetime. Join your Canadian and International peers in athletics and clubs. Make new friends, improve your own well-being and contribute to your Canadian community. There are choices for everyone and places where everyone belongs.

Engage in School Life!

School life in the Coast Mountains area includes many extra activities and international students are encouraged to join in. Students pick up new skills, stay active, and build life-long friendships with Canadian peers and students from around the world.

Experience Canadian Activities!

While studying in the Coast Mountains area, students are provided opportunities to experience traditional Canadian activities. Activities include curling, bowling, skating, paddling, climbing, hiking, hockey, skiing, and special events.

Explore Beautiful British Columbia!

A guided excursion to Vancouver and area is a highlight for many students.

A Rich Variety of Courses

Students can create an individualized program to match their interest and meet their academic goals through the rich variety of courses available. Our schools have core course requirements for graduation from Grade 10 - 12. There are 8 courses that must be completed each year:

- English Language Arts 10, 11, 12
- Mathematics 10 and 11 or 12
- Science 10 and 11 or 12
- Social Studies 10 and 11 or 12
- Physical Education 10
- Career Life 10 and 12 (Capstone)
- Arts Education and/or Applied Design, Skills, & Technologies 10
- Elective 10, 11, 12
